Dear Parent,

There will be a ceramic work training that is scheduled for 5th and 6th October 2018 (Friday and Saturday) during the school hours...For various associated processes like clay work, shaping up an object, baking, glazing etc. students will be taken to the work station from the school. The art teachers are in charge of guidance and direction.

We have well-known faculty coming to conduct the work shop. Their work is evident from the link attached.

As it's a rare medium and beautiful experience to explore for which experts and an appropriate work station is needed, the fees for the same will be Rs.2500/-. The fees is to be deposited by 04.10.2018 to the concerned teacher, in an envelope with name, class and phone no. of parents written

Only first twenty students will be accommodated due to space and resource constraints.

The link to appreciate the work of the artists cum trainers for this workshop is:
