

ANAND VIDYA VIHAR

C/52/18/12/2018

Dear Parent,

On 22nd December 2018, we are celebrating Christmas as well as Children's day. For the same, students will come to school in decent civil clothes in shades of red or white or a combination of both.

Christmas is a festival of gifts and to celebrate this, we propose to extend it with a Joy of Giving activity. We request you to gift away good quality winter clothes, quilts and blankets for the underprivileged.

It is a request that all of you donate only those materials which are in a good condition and do not off-load torn shabby ones, for this exercise is intended to teach students the quality of 'giving until it pinches!'

It is not mandatory to gift!!!!

For this Christmas and year end let us learn to forgive errors, forget woes and make a foray into happier zones.

With noble intention and warm regards for all....

Principal
